Quick Home Finder

Only oceanfront here. Nothing else.

This website presents **Oceanfront homes for sale on the Northern Outer Banks**. Our target territory is *one house deep* from Southern Shores north to the Virginia state line. These **beachfront homes** are the "cream of the crop," the most sought-after properties to own and to rent. They are limited in number, and affordable by only a few.

At any given time, about one hundred **oceanfront homes** may be available for purchase, and *this site shows them all*. We spotlight a few

standout properties. We constantly update our inventory and try to be the go-to resource for buyer information on All Things Oceanfront.

Find *your* place on the Edge.
